Subject :- Re Payment of acquisition costs of s 93-8-0 towards the land acquired for the Veterinary Dispensary building at Koratagere

--oo--

Sir,

In forwarding herewith, in the original, the entire records received from the President, Minor Municipal Council, Koratagere, on the above subject, I have the honor to state as follows -

The President states that the Municipal Council proposed at the outset, that one acre of land out of Inam S No 2 of Koratagere village belonging to Sri Gundanjaneyaswami temple might be acquired for the construction of a Bus stand While the matter was still under correspondence, the Council, on a second thought, proposed to utilise the said site for the construction of a Veterinary Dispensary building as the necessity of which was keenly felt by the public

Accordingly, Mr H Subbanna who had promised to donate a building for locating the Veterinary Dispensary was permitted to put up the building The Council, at their meeting held on 8-5-1940, have resolved that the aforesaid bit of land in S No 2 may be acquired for the above purpose and the cost of acquisition met out of the closing balance during the year 1940-1941

In these circumstances, I request that sanction of Government may be kindly obtained to the resolution of the Council to meet the cost of acquisition out of the closing balance of the Municipality The probable cost of acquisition in this case is reported to be

Subject - Acquisition charges in respect of the site on which the Veterinary dispensary is built at Kortagere

Sir,

In forwarding herewith in original, the entire file of records received from the President, Minor Municipal Council, Kortagere, on the above subject, I have the honour to state as follows -

The Municipal council had resolved to pay the acquisition charges amounting to Rs 93-8-0 in respect of inam land (S No 2 belonging to Sri Gundanjaneyaswami temple) out of its closing balance during the year 40-41, and Government were also pleased to accord sanction to the same in their order No L 2528-31/Ml 16-40-17 dated 26-9-1940 The president now states that as the council had subsequently resolved to acquire the lands up to Travellers Bungalow limits for Adikarnataka Extension and improving the sanitation of the town, the acquisition of S No 2 referred to above had to be dropped then

In the meanwhile, it was suggested by my predecessor Mr K Guru Dutt, B A , to the Municipal council, that owing to the paucity of funds the question of acquisition of lands up to Travellers' bungalow limits might be dropped for the present and that the acquisition of S No 2 on which the Veterinary dispensary of the place is built might be taken up The council have accordingly resolved that sanction of Government may be obtained for payment of the acquisition costs amounting to Rs 93-8-0 out of the closing balance of the Municipality during the current year

In these circumstances I request that sanction of Government may be kindly obtained to the resolution of the council in the matter

I have the honour to be,
Sir,
Your most obedient servant,

Deputy commissioner,
